### Cultural Connection

#### National Children's Day

The second Sunday in June rewinds time for a moment for a celebration known as National Children's Day in the United States.

The day honors the children in our lives by slowing down our fast-paced lives, turning off the tech, and refocusing on the important things. Taking one day may not be enough but using it as an opportunity to redirect our family's lives may be an important step in a child's life.

Children look up to the adults in their lives for guidance. While their personalities are unique, they develop their character as they spend time with you and me.

### Principal's Corner

Dear Parents,

As we approach the last week of school, I wanted to take a moment to express my gratitude for an amazing school year. It has been a wonderful year filled with many memories.

I want to take some time to reflect on the achievements and the growth we have witnessed in our students throughout this academic year. I am so proud to be a Blue Jay!

Looking ahead, I am excited to see everyone back in August, refreshed and ready for another amazing school year together.

Mr. Bolls
